Minal Emergency Plan is published

We've already had some bad storms so it's time to think about planning for winter. Check out the Minal website

<https://mildenhallwiltshire.org.uk/emergency-planning/> for lots of useful tips and our village plan. In case of power outages it's a good idea to charge equipment if bad weather is due and join the Priority Register if you qualify as it will help our community. Thanks to all our volunteers who have come forward to offer help if we need it.
